Our Guarantee

We at Proper Nutrition, Inc., are certain that every health supplement we offer is of the highest quality and we want you to be completely satisfied with every aspect of your purchase.

If for any reason the all-natural health supplements that we offer do not meet your expectations, you may return the unused portion to us within 90 days from the date of purchase for a courteous, no-questions-asked refund (does not include shipping and handling charges).

In order to efficiently process your return, please contact our office by either calling 1-800-555-8868 or email your information to returns@propernutrition.com. Please provide your name, address, telephone number, invoice number and purchase date. We will verify your information and provide you with a Return Authorization Number (RAN). Please follow the return instructions completely. Any return shipment that does not have a RAN number written on the outside of the shipment will not be accepted.

PLEASE NOTE: Proper Nutrition is only responsible for purchases that are made directly from our company, not from any other source (i.e., health food store, distributor, healthcare practitioner). If you have not purchased directly from Proper Nutrition and you are not satisfied with your purchase, please return the unused portion to the company from which you originally purchased our supplement or supplements.
